DISTRIBUTION TABLES

Organization/Miscellaneous Notes

Organization

Appendix C consists of eight distribution tables. These tables specify the distribution of many trial court revenues. While a few tables have specialized additional columns, the basic organization and the definition of terms used in the tables are as follows.

Code Section

The distribution code section with descriptive title.

Violation/Situation

The codes under which the conviction occurred (unless they are the same as the distribution code) and/or a description of the situation that resulted in the charge.

Distribution

The entity or entities to which the collection is distributed (State, county, city, other agency, or victim) and the percentages and/or conditions for the distribution.

Applicable Fund

The fund specified in the statute. "Not specified" means no fund is specified in the statute; the county general fund would be the fund generally used in these cases.

Fund Use

The use of funds as specified in the statute. "Not specified" means that a use is not specified in the statute.

Miscellaneous Notes

The following comments are provided to highlight information in individual tables and specific distribution issues.

Table 1 — General Distribution of Fines and Forfeitures Under PC 1463.001

Columns for arresting officer and jurisdiction are included because the information is needed to differentiate between a “county arrest” and a “city arrest” for distribution purposes.

All criminal fines and forfeitures (except parking) without a specific distribution in statute should be distributed pursuant to **PC 1463.001**. The **PC 1463.001** distribution is detailed in Table 1. Be advised that most violations without a specific distribution are not listed in these tables.

As stated in **PC 1463 (l)**, “total *fine* or forfeiture” for purposes of distribution under **PC 1463.001** includes “the total amount of bail forfeited or deposited as cash bail subject to forfeiture.”

The special distribution for bail increases, pursuant to **PC 1463.28**, applies to “city arrest” violations but does not apply to “county arrest” violations within the specified counties.

The Attorney General's Office has clarified that changes in **PC 1214** do not allow a county to charge interest on delinquent and/or unpaid fines. In *People v. Sutter Street Ry. Co (1900)* 129 Cal. 545, the Supreme Court held that interest was not allowed because the fine was for the purpose of punishment rather than for compensating for loss or damage. Furthermore, the absence of a specific distribution for interest indicates that the Legislature did not intend criminal judgments to bear interest (see restitution section below for further information).

State and local penalties (**PC 1464, GC 70372, GC 76000, and GC 76104.6 (Proposition 69)**), the 2% deposit for automation (**GC 68090.8**), and the state surcharge (**PC 1465.7**) apply to the fines in this table.

Table 2 — Special Distribution of Fines and Forfeitures Preceding PC 1463.001 Distribution

This table includes specified portions of fines that are deposited for special purposes prior to distribution pursuant to **PC 1463.001**.

PC 1203.1 requires that all fines collected by probation officers from defendants on formal probation be deposited into the county general fund, except for specified distributions. The specified distributions include, but are not limited to, **PC 1463.16** and **1463.18**, but not **PC 1463.14(a)**. Therefore, there is no requirement to deposit **PC 1463.14(a)** collections in the county special account on formal probation cases.

State and local penalties (**PC 1464, GC 70372, GC 76000, and GC 76104.6**), the 2% deposit for automation (**GC 68090.8**), and the state surcharge (**PC 1465.7**) apply to the fines in this table.

Table 3 — Specific Fine and Forfeiture Distribution

If a fine or a part of a fine is distributed pursuant to **PC 1463.001**, the detail of the distribution is shown in Table 1.

State and local penalties (**PC 1464**, **GC 70372**, **GC 76000**, and **GC 76104.6**), the 2% deposit for automation (**GC 68090.8**), and the state surcharge (**PC 1465.7**) apply to the fines in this table.

Table 4 — Drug Violation and Domestic Violence Diversion Fine and Fee Distribution

H&S 11372.5 requires \$50 to be deposited in the criminalistics laboratory fund for each conviction under specified controlled substance violations, regardless of whether this fee was collected or not collected. The required deposit can be made from moneys deposited under **H&S 11502** prior to the monthly 75%-25% distribution required by **H&S 11502**.

If **H&S 11502** moneys are insufficient to meet the required \$50 deposits, subsequently collected **H&S 11502** moneys can be applied to eliminate a prior month's deficiency. However, there is no authority for counties to offset any other moneys due the State to subsidize the criminalistics laboratory fund.

Pursuant to *People v. Sierra* (1995) 37 Cal. App. 4th 1690 and *People v. Sanchez* (1998) 76 Cal. Reporter, 2nd Series 34, the "criminal laboratory analysis fee" (**H&S 11372.5**) and the "drug program fee" (**H&S 11372.7**) should be accounted for as fines subject to state penalties, local penalties, and the 2% automation fee.

Table 5 — Restitution Distribution

General adult restitution fines and orders have been consolidated into **PC 1202.4**, and general juvenile restitution fines and orders have been consolidated into **W&I 730.6**.

The state penalty (**PC 1464**) does not apply to restitution fines pursuant to **PC 1202.4**, as stated in **PC 1202.4(e)** and **W&I 730.6(f)**. However, the 2% deposit for automation (**GC 68090.8**) does apply to these restitution fines.

Interest is allowed on restitution orders at the rate of 10% per annum (**PC 1202.4(f)(3)(F)**), but not on restitution fines. However, a fee not to exceed 10% of the fine may be imposed to cover the actual administrative costs of collecting the fine (**PC 1202.4(l)**).

Table 6 — Penalty, Additional Penalty, and Assessment Distribution

The 2% deposit for automation (**GC 68090.8**) applies to the state penalty (**PC 1464**), the local additional penalty (**GC 76000**), the state court construction penalty (**GC 70372**), and the Proposition 69 DNA Identification Penalty (**GC 76104.6**) by statute, but not the 20% state surcharge (**PC 1465.7**).

However, all of the 34% of the proof of correction fee (**VC 40611**) is included in the 70% of the **PC 1464** distribution.

The 20% state surcharge (**PC 1465.7**) is levied on all criminal base fines.

The local penalty (**GC 76000**) is reduced (for most counties) from \$7 for each \$10 of fine to an amount specified for each

Table 6 (Continued)

county as reported in **GC 76000(e)** once the county and the court conclude an agreement on the ownership of court facilities. The state court construction penalty in **GC 70372** is levied in an amount equal to \$5 for every \$10 or fraction thereof upon every criminal fine, forfeiture, and penalty imposed on criminal fines.

However, prior to an agreement between the county and the Judicial Council of California (State) for responsibility for courthouse construction and maintenance, the penalty is reduced by the difference, if any, between \$5 and the amount of the **GC 76000** penalty remitted to the local Courthouse Construction Fund (**GC 76100**) as specified in the current county resolution to the State. If the amounts in **GC 76000(e)** are accurate, these figures can be used in the calculation.

After the agreement, the entire \$5 is remitted to the State, unless the money is needed to pay for construction undertaken prior to the transfer of responsibility for facilities from the county to the Judicial Council. In that case, the proportion of the penalty that is the same proportion as the square footage that the facility bears to the total square footage of court facilities in that county is remitted to the local Courthouse Construction Fund, until the facility is transferred to the State.

Table 7 — Criminal Related Fee Distribution

State and local penalties and the 2% deposit for automation do not apply to fees.

The administrative assessments authorized by **VC 40508.6** should not be considered part of a traffic violator fee, pursuant to **VC 42007**. Therefore, the administrative assessments collected pursuant to **VC 40508.6** are not required to be distributed in accordance with **VC 42007**.

The fine authorized by **VC 27360** for child restraint violations is not considered part of the traffic fee, pursuant to **VC 42007**. **VC 27360** fines should be allocated pursuant to this section.

Table 8 — Civil Fee Distribution

Civil fees include civil filing and reporting fees and other fees not related to criminal conduct.

Index — Code Section to Page Number

An alphabetical listing of all code sections with a page number index is provided at the end of Appendix C.

Code sections that have been added or amended since the last revision are bolded in the index.
